YOUR BRIDAL PREVIEW...

Your bridal preview is a relaxed, enjoyable part of your bridal journey. It's a chance for us to meet and discuss your wedding aesthetic and what look you'd like to achieve ahead of the big day. It's designed to give you an opportunity to trial styles and products and reflect on the wear/suitability, to allow us to make any adjustments if needed, ahead of the big day.

Please bring inspiration photos of looks you love, this will guide me in the right direction of the desired look and make sure we're aligned in what you are looking to achieve. I can assess any skin or hair concerns you may have and advise on hair extensions if the style requires so.

I will send over a pdf copy of my bridal book ahead of your preview which has some advice on how to prepare for your trial.

Bridal Previews are held at my home studio in Renfrew, PA4. These are carried out Monday-Friday with availability permitting so. Hair or makeup trials last up to 1.5hrs, Hair & makeup is allocated up to 3 hours.

This is recommended 4-12 weeks ahead of the wedding. Previews are not compulsory but very much advised for brides.

If you wish to have a trial before securing your date you are free to do so, however this will not hold the date. If the date isn't secured with a contract and deposit it can still be offered to another bride (I would inform you of this before, to avoid losing your date)

Cody was incredible on my wedding day, not only did she make me and my mum feel incredible but she went above and beyond and helped people with outfits, reminded us to take our flowers out of the water half an hour before we left and was just generally so kind and calming on our big morning. Her wee studio space was lovely for my trial too! Neither my mum or I are used to having someone else do our hair and makeup and she was able to take our ideas and execute them amazingly! We loved her, can't recommend enough!

I can't even begin to say how amazing Cody was for my wedding in May 2025. She made me feel so chill and relaxed that morning which was exactly what I needed. Not only did she make myself, my MOH, my mum, nana and MIL feel incredible but went above and beyond to make sure we were all happy and comfortable. I was over the moon with how my hair and makeup turned out - it was exactly how I imagined and it didn't budge at all throughout the day, even with all dancing! Cody is such a lovely person and is so talented! If you are getting married, you need her as part of your day.

Cody, thank you for everything 💕

I can't recommend Cody enough! 💖 She was absolutely amazing from makeup/hair trials to the big day! She was my ultimate hype girl and kept me so chill all morning. We all loved her energy and felt like we had all known her for years.

My bridal party all loved their hair and makeup and it lasted all night! Cody provided the cutest touch up kits too!

My hair and makeup was just perfect, I couldn't of dreamed of anything better!

She stayed right until I was ready to walk down the aisle, helping with jewellery and adding my veil! I would of been lost without her!

Thank you so much again Cody

Cody is an absolute dream to work with, I have had my hair and makeup done by her multiple times and each time Cody has done an exceptional job and made me feel so comfortable throughout.

I recently had bridal hair and makeup and bridal party hairstyling done by Cody for my wedding and I cannot recommend her enough for this. Not only did Cody do a seamless job yet again, but she was such an amazing support for my whole bridal party on the day and it's fair to say her role extended hair and makeup right until we walked down the aisle.

I will definitely be using Cody's 10/10 services again! 💖

I cannot thank Cody enough for the amazing job she did on my wedding day. From her communication throughout, the trial and the big day itself, Cody was so attentive and pleasant to work with. Cody was completely in tune with the hair and make up look I was envisioning and my hair and makeup lasted all day and night (even through happy tears and lots of dancing). Cody worked wonderfully with everyone from our Mums to our toddler flower girls — everyone looked stunning and felt so comfortable. Codys studio itself is gorgeous and she felt like an old friend from my first appointment with her. If you're looking for someone talented, kind, and incredibly skilled at what they do, I would recommend Cody in a heartbeat 💕.

Cody is absolutely brilliant. She's so friendly and kind and really put me at ease on the morning of my wedding. I have very thick and very curly hair and she was able to handle it without any issues; if you're a bride-to-be with curly hair I would 100% recommend Cody! I had 4 bridesmaids with very different hair textures and she did an amazing job with all their hair. I'm really glad I chose Cody to be my hair stylist for my wedding!

We got married on 17th May 2025 and had Cody for hair and makeup at our venue (Redhurst hotel) She was AMAZING. So patient with my 2 girls, so helpful even supporting with other wedding (non makeup!) jobs but most of all her skills with hair & makeup skills were second to none. My Bridesmaids loved her and were over the moon with their look on the day. I'd had a trial and asked for light coverage on the day as the weather was ridiculously hot...Cody made me look natural but "bridal" I'd highly recommend her

Where do I start with Cody? She felt like my friend from the moment I met her. Especially on my wedding day, it was just like hanging out with my very talented friend! Cody went out her way to watch a video on the type of make up I liked and created something even more amazing. I have never felt so beautiful in my entire life. All my bridesmaids looked unbelievable and Cody even left my mother in law, who never wears make up, very comfortable and even more beautiful than she already is. Cody is just such a lovely girl and I won't think twice to recommend her to anyone. Thanks again Cody for turning me into a butterfly ❤️

I'm so glad I found Cody for my wedding makeup! From the first communication to the trial and the big day itself, she was professional, warm, and easy to work with.

It's not easy finding a makeup artist in Glasgow who understands how to work with my Indonesian features — others often got something (or everything) wrong, whether it was the eyes, complexion, or brows. But not Cody. She nailed the look I wanted: elegant, flawless, and long-lasting. Even with all the tears throughout the day, everything stayed perfectly in place!

I'm not used to wearing much makeup and was quietly protesting inside during the application, but I trusted Cody completely — and I'm so glad I did. The makeup photographed beautifully and I received compliments from everyone. The hair was also stunning. I wanted to wear a family heirloom in my hair but was worried it would be too heavy - Cody made it work, I felt comfortable wearing it and it looked beautiful.

Most importantly, she listened to what I wanted instead of pushing her own opinions and that meant a lot to me. She was calm and professional on the morning, which really helped me feel relaxed.

I would definitely recommend her to everyone. Thank you again for being part of such a special day!
